

Refuse Collection Reminder

Due to the changes in collections dates and collection times across the district, residents are being reminded that:

- black bags need to be put for collection by **5:45am**
- Recycling and garden waste need to be put out by **7:00am**

Residents can also check their revised waste collection dates by entering their post code via this link <http://www.torridge.gov.uk/forms/firmstep/wastecalendar.html>

Thank you for working with Torridge District Council to recycle more.
