for reading and signing

- First Aid box must be checked regularly (responsibility of new caretaker)
- All committee members to be familiar with the cancelling and re setting of the automatic fire alarm. JT will discuss this with groups or individuals as needed
- Component Force- chair feet covers needed to protect the hall floors Cost £114 for all chairs
- JT suggested information for 'Hirers' in relation to electrical, heating, lighting, PA systems etc. Requested information from long term members of the committee who could give him accurate information for him to compile simple laminated sheets as a quick 'Check List'
- Reports received that male toilets have been deliberately damaged and left in poor state. This will be monitored and those responsible will be contacted in the first instance. Any further instances will result in a formal letter and cessation of use of the village hall.
- PA system- it was agreed that this will be stored and be included in items for hire
- 'Green Hubs Event' on the 23rd November will include how to ensure energy and money can be saved on village hall use.
- Running costs of new cookers on an hourly basis needs to be identified and included in 2012 when hire charges will be reviewed.

moladed in 2012 when the only god will be reviewed.
